

## Player/Parent consent form

As the parent(s)/legal guardian(s) of the above child(ren), I/we give my/our approval for said child(ren) to participate in the St. Francis of Assisi Athletic Association (SFAAA) Soccer Program. I/We understand that participation in SFAAA activities may result in serious injuries and/or bodily harm and that protective equipment does not prevent all injuries to players. I/We hereby waive, release, absolve, indemnify and agree to hold harmless the SFAAA, each and all of their officers, members, participants, coaches, and volunteers for any claim arising out of any injury to my/our child(ren) and myself, however caused, during the course of any and all SFAAA activities, including, but not limited to, practice sessions, games, and/or travel to said activities.

I/We also hereby certify that my child(ren) has/have received a physical examination by a licensed physician and has/have been found to be physically capable of participating in the program.

Children are not to be dropped off and left at practices and games. Parents/guardians must be in attendance at all times. Parents/guardians are responsible for ensuring their child is collected at the field immediately following his/her soccer session.

By signing up to participate in the SFAAA Soccer Program, I/we agree to abide by the club's CODE OF CONDUCT and acknowledge that the club may use and/or allow to be used photos or other media for promotional activities.

Payment is required in full prior to the player(s) being registered and allowed to practice.
